

You are very special

In all the world there is nobody, nobody like you.
Since the beginning of time there has never been
another person like you.
Nobody has your smile, your eyes, your hands, your
hair.
Nobody owns your handwriting, your voice.
You are special.

Nobody can paint your brush strokes.
Nobody has your tastes for food or music or dance or
art.
Nobody in the universe sees things as you do.
In all time there has never been anyone who laughs in
exactly your way,
and what makes you laugh or cry or think
may have a totally different response in another.
So – you are special.

You're different from any other person who has ever
lived in the history of the universe.
You are the only one in the whole of creation who has
your particular set of abilities.
Nobody in the universe can reach the quality of the
combination of your talents, your feelings, like a roomful
of musical instruments, some might excel in one way or
another, but nobody can match the symphonic sound
when all are played together.
Through all eternity no one will ever
walk, talk, think or do exactly like you.
You are special.

You're exceptional and in all uniqueness there is
enormous value and because of your great value the
need for you to imitate anyone else is not there.
You are special.

And it is no accident that you are.

God has formed you in a way that nobody else can
bring into being in the way that you can.
Out of the billions of creatures only you are made to be
the person you are
You already have what it takes to be you – be a partner
with God in your ongoing createdness
You are special.

I have carved you in the palm of my hands

Does a mother forget her baby?
Or a woman the child within her womb?
Yet, even if these forget
I will never forget I will not forget my own.
